

Rules for Fishing Publow Lake

As the lake is small it is important that common sense is used, especially as regards the introduction of feed. All bait must be introduced in moderation.

1. No keepnets.
2. No fixed rigs. All leads/feeders must be free running.
3. Barbless hooks only. Maximum hook size 10.
4. No braided reel lines.
5. ONLY low oil coarse/carp pellets to be used as feed. Boilies or Trout/Halibut pellets used as hookbait only.
6. Unhooking mats to be used for all carp and larger fish.
7. Rods must not be left unattended.
8. No Moaning!
